

B2HZ Zweigpaar halbgesteuerte Zweipuls-Brückenschaltung
Branch-pair, semi controlled two-pulse bridge circuit
Paire de bras, circuit en pont à deux impulsions semi-commandé

TW/°C entspricht der Abschalttemperatur des jeweils verwendeten Temperaturwächters.

TW/°C corresponds to the break temperature of the specific temperature contactor.

TW/°C correspond à la température de rupture du contrôleur de température utilisé.
